

## CITY OF ALAMEDA

### Memorandum

To: Honorable Mayor and  
Members of the City Council

From: John A. Russo  
City Manager

Date: December 6, 2011

Re: Accept the Work of Power Engineering Contractors for the Installation of  
Mechanical Trash Racks at Stormwater Pump Stations, No. P.W. 08-09-  
23

---

### BACKGROUND

On September 15, 2009, the City Council adopted plans and specifications and authorized a call for bids for the installation of mechanical trash racks at stormwater pump stations, No. P.W. 08-09-23. On November 17, 2009, the City Council awarded a contract in the amount of \$549,450, including contingencies, to Power Engineering Contractors for the project. The project modified the existing storm drain structures at the Main Street pump station and the Webster Street pump station, and installed trash racks and conveyor mechanisms.

### DISCUSSION

The project has been completed in accordance with the plans and specifications, and is acceptable to the Public Works Department. The final project cost, including extra work orders, is \$540,834.18.

### FINANCIAL IMPACT

The funds for this project are budgeted in the Public Works Department's account for Capital Improvement Program (90933), mechanical trash racks at stormwater pump stations project, with monies allocated through a \$750,000 grant from the State Water Resources Control Board and the Urban Runoff Fund (Fund 351). There is no impact to the General Fund.

### MUNICIPAL CODE/POLICY DOCUMENT CROSS REFERENCE

This action does not affect the Alameda Municipal Code.

ENVIRONMENTAL REVIEW

In accordance with the California Environmental Quality Act (CEQA), the Main Street project is Categorically Exempt under CEQA Guidelines Sections 15301(b), Existing Facilities, and 15301(f), Addition of Safety or Health Protection Device in Conjunction with Existing Structures, Facilities or Mechanical Equipment. The Webster Street project is Categorically Exempt under CEQA Guideline Section 15303(d), New Construction or Conversion of Small Structures.

RECOMMENDATION

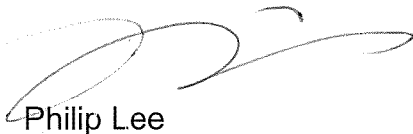

Accept the work of Power Engineering Contractors, for the installation of mechanical trash racks at stormwater pump stations, No. P.W. 08-09-23.

Respectfully submitted,

Matthew T. Naclerio  
Public Works Director

By,

Philip Lee  
Assistant Engineer

Approved as to funds and account,

Fred Marsh  
Controller
